CONFERENCE SUITE

Dunedin International Airport
- Where Great Journeys Begin

Welcome to Dunedin

At Dunedin International Airport we believe the perfect conference environment is one that is warm and efficient.

As well as catering for your personal comfort, our well-lit, air-conditioned rooms are equipped with everything you will need to run a smooth meeting at no additional cost. Our friendly, professional staff will go the extra mile to ensure your event is memorable.

Flagstaff — Executive Style

Enjoy delicious, freshly brewed coffee the moment you arrive, along with imperial mints, chocolate mints and filtered water.

Located on the second floor of the terminal building, adjacent to the Koru Lounge, our rooms are well-appointed, commanding unique aspects of the Maungatua Hills, the Taieri Plains and life at the airport.

Our Conference Rooms

Maungatua

Overlooking its namesake hills, the magnificent Maungatua, takes in stunning views of the Taieri Plains. Outstanding natural light for workshops, weddings and conferences, comfortably accommodating 96-146 people.

Flagstaff

The focal point of this room is a landscape of Flagstaff hill by local artist Sam Foley. The combination of original art and executive style has resulted in a contemporary corporate boardroom which will impress the most discerning client.

Waitaha

Ideal for an interview or business presentation, Waitaha - named for the first Maori settlers of the Taieri Plains - seats up to 8 around a square table. Bring your laptop and we will provide the data projector for your presentation at no extra cost.

Our Guarantee to You

Whether you are in Dunedin for an interview, a board meeting or a conference, we guarantee to do our very best to make your visit memorable.
