Maungatua Room

Overlooking the Taieri Plains and magnificent Maungatua ridge, this spacious and light-filled room accommodates up to 80 people (theatre style) and is ideal for workshops and conferences. For smaller groups, the room can be split – thus allowing breaks and meals to be taken outside of the meeting area.

Flagstaff Room

The Flagstaff Room – so named for the landscape painting by local artist Sam Foley – is a 12-seat boardroom space. Its combination of original art and executive style provide an environment suitable for hosting discerning clients.

Waitaha Room

The smallest of the facilities available, the Waitaha Room seats up to eight people and is ideal for interviews or business presentations. Waitaha is named after the first Maori settlers of the Taieri Plains and is our most popular room for meetings on the move.

Bookings and Facilities. Rooms can be booked for a minimum of one hour or for a full day.

Our competitive pricing is listed at www.flydunedin.com and you are welcome to contact us directly at meetings@dnairport.co.nz or by phoning **03 486-2879 ext 0** to discuss your special requirements.
