

Your Parking Options at Dunedin International Airport

Free Parking

Did you know you there is free parking at Dunedin International Airport?

If you need just enough time to help a friend with her luggage or kiss your beloved goodbye, you can park free for 15 minutes in the main car park.

We also have a drop-off zone just past the main entrance.

Where do I park?

We have one big carpark for both short and long-term parking, so feel free to park wherever you like within the designated areas.

What if I can't find a place to park?

In the unusual event that you are unable to find a spot, our customer service staff in the exit booth and the terminal building will be happy to assist. If these staff are not in attendance, please press the buzzer on the Information Desk and wait for assistance.

Key Drop Service

Why leave your keys at the airport? A big bunch of keys can be a nuisance when you travel, and maybe someone needs to use the car while you're away?

Don't risk losing your keys - use our key drop service to leave them for someone to collect.

Simply fill out the form on the envelope and drop in the key box provided at the Information Desk.

Long-Term Parking Card

Are you a frequent flier? Then take the stress out of parking when you fly - purchase a long-term card and park anytime you need to for as long as you like:

For further information regarding Long Term Parking Cards please go to www.flydunedin.com

Follow these simple rules to get the best from your exit card:

1. Always use your card to enter the carpark. If you take a ticket to enter, the card won't know you are in the carpark, so you won't be able to use it to exit.
2. The same goes for leaving, if you misplace your card on exit, next time you arrive your card won't let you in, as it thinks you are still in the carpark.
3. If your card expires while you are in the carpark you won't be able to exit without paying.
4. ***If you know your card is due to expire while you are away, be sure to renew it before you leave!***
